

Handsworth Pre-school Newsletter

Autumn Term 2013 - Second Half

Dear Parents and carers,
With the new half term already in full flow and Christmas only 7 weeks away, we have some important dates for your very busy diaries.

27 November - Parent Consultations
From 12.30pm to 3.30pm, please book an appointment time to see your child's key worker on the schedule displayed in the foyer. Please note that the session will finish at 11.30am and there will be NO lunch provision that day.

21 November - AGM
To be held in the Pre-school setting (United Reform Church Hall) at 8pm. We would really like to encourage as many parents and carers as possible to attend this meeting as we need your support in order for the group to continue to run.

12 December - Nativity 10.45am
We would like to invite all parents, family, friends and carers to arrive at the setting at 10.45am for our festive performance and mince pies.

Week commencing 16 December - 'Stay and Play' week

This is a 'special' week when we encourage parents to drop in and play. If it is not convenient for you to visit during this week, but would like to spend a session with your child, this can be arranged by booking a date in advance with Lisa.

19 December - Last day of Term and time to party!

Today's session will involve lots of games, fun and party food, as well as a visit from a very special person. There will be a list on the door nearer the time asking for party food donations. The session will finish at 11.30am and there will be no lunch provision that day.

Wednesday 8 January - Return to Pre-school for the new term.

Please continue to consult our notice board and website for information on upcoming and coming events.

And finally, just a couple of quick reminders.....

We would appreciate it if all coats, hats, scarves, rucksacks, lunch boxes etc.. are clearly labelled with your child's name.

Donations of either fruit, veg, raisins etc..... or money for the snack jar (which is on the table at registration) are always gratefully received.
